A Study of 1 Peter

Citizenship, Allegiance, & The Kingdom

Citizenship

Allegiance

The Kingdom

In an ever polarizing culture there is a lot of pressure to pick a position, pick a cause, pick a side. As followers of Jesus we resist the pull of our culture and commit to loving God and loving our neighbors in the cities and communities we call home.

As we study 1 Peter together, we will be taking a close look at what it means to be citizens of heaven and sojourners on earth. And we'll discuss what it means to reject an "us vs. them" mentality and commit ourselves to pursue 'God's Kingdom on earth as it is in heaven' for the good of all people
